To give you an idea of how much to give, listed below are suggested amounts and how the money will help the children and families of Richard House.

£23.50 will boost a child's confidence through a music therapy session

£28.50 will help a child express themselves through an art therapy session

£45 will enable a child to have a therapy session with Nurse or Play and care worker in the multi-sensory room.

£45.25 will help a young adult to feel confident and happy about their body image when they have a girl's pamper session.

£212 will give a child with a life-limiting or complex healthcare condition a rare treat of a swimming session in a specially adapted pool.

£307 will allow a youngster to gain new skills, build their confidence and develop their creativity when producing their own movie during a series of Living Films activity sessions.

£525 will provide a day's care for a child at Richard House.

£2,905 would fund a Respite and Palliative Care Nurse for one month.
