

Leave a Gift in Your Will

We want to make sure we are always able to provide top level care for children who need us. Leaving a gift in your Will means you can help us keep that promise.

No matter what shape or size:

Whether it's £5 or £500,000 we shall treasure any gift you are able to make to us. Obviously family come first, but a gift to Richard House will show just how important you think Richard House is.

A gift doesn't have to be money. We will gratefully receive any gift that you think could be turned into something that will help Richard House.

Keep your Will up to date:

It is really important to make sure your Will is kept up to date. You should review your Will after every life event, for example, the birth of a child or grandchild or if you retire. The more regularly you review your Will the less likely it is that your loved ones will be caused further stress during what will be a difficult and emotional time.

We have provided the [codicil wording](#) that you should use to add Richard House to your Will. We hope you will find our [glossary of terms](#) useful in helping you understand some of the words you will come across when creating or altering your Will.

Please get in touch if you would like to learn more about Richard House by visiting the hospice to see our facilities first hand.

Email [Karen Duncan](#) or call 020 7540 0226 if you would like to discuss leaving a gift in your will, or would like to encourage us in our work by telling us that you have already left a gift in your will to Richard House.
