

12 Bridge Walk

Sunday 13 May

One of the participants at the Richard House Children's Hospice 10 Bridge Walk in 2011

After the amazing success of the [10 Bridge Walk 2011](#), [Richard House Children's Hospice](#), based in Beckton, East London, is organising its third bridge walk for 2012...but, this time, it's coming with a twist.

The 2012 event will help us celebrate our 12 year anniversary and to make it even more special than usual, we have upped the "bridge count" to - what else - 12.

So our participants will now be walking from Battersea Bridge to Tower Bridge, ending at the picturesque St Katherine's Dock, near Tower Hill.

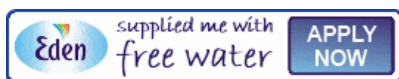

Almost 200 people took to the streets last year so register early to make sure you reserve your place for 12 Bridges.

For more information, contact Ben Alonso on [email](#) or by calling 020 7540 0230.

To sign up, fill out this registration form and post back to the attached address: [12 Bridge Registration Form.pdf](#)
