

About Us

Richard House is a purpose built children's hospice in east London.

Our core purpose is to accompany families with children and young people with life-limiting and life-threatening conditions, during the child or young person's journey through life to death, creating positive experiences along the way which become good memories for the future.

Our services are wide-ranging, completely free to families and tailored to our multi-cultural community. We need to raise 1.8 million this year to keep Richard House open.

For more information, please contact [the Communications Team](#) or call 020 7540 0212
