

Support us

Richard House Children's Hospice needs your support

Each year Richard House needs to raise £3.1 million to continue operating. We are mainly reliant on voluntary donations and volunteer support - without these we simply could not stay open.

It is a challenging task and we need the help of our supporters to reach this target. To gain a better understanding of how your money can help us, read our [shopping list](#). There are numerous ways in which people can help. The easiest way is to [donate now](#) or set up a [regular donation](#).

Whether you are part of a [corporate community](#), a [local group or business](#), we have a corporate partnerships team and community fundraising team keen to help you run your own fundraising project or to become involved in several of our fundraising schemes.

For the adrenaline junkies and fitness freaks we run a number of [challenge events](#) from cycling into Europe to running dressed as Santa and most things in between.

[Welcome to Richard House](#) from [Richard House](#) on [Vimeo](#).

There is also the opportunity to [leave a gift in your will](#) and to help we run a series of [Make a Will weeks](#) throughout the year.

We also work closely with [trusts and foundations](#) and encourage people wherever possible to use [gift aid](#).

And finally of course you can visit any of our [shops](#) spread out across north and east London, or find a [volunteer role](#) at Richard House.
